

MEASURES OF STUDENT SUCCESS

Lurleen B. Wallace Community College values its mission to provide students with quality academic and technical instruction. The College has identified eight student achievement goals that reflect its commitment to preparing students for further education and the workforce:

- Measure 1) Employer perception of technical programs
- Measure 2) Fall-to-spring retention
- Measure 3) Fall-to-fall retention
- Measure 4) Cumulative GPA
- Measure 5) Employment
- Measure 6) Licensure
- Measure 7) Graduation
- Measure 8) Transfer

These goals are measured annually by the Office of Institutional Effectiveness and Quality. Graduation and transfer rates are disaggregated by gender, race/ethnicity, and socioeconomic status. All data are reviewed by the Student Achievement Committee annually and disseminated among faculty and staff.

2022-2023 SUMMARY

Measure of Achievement	Threshold of Acceptability	Expected Range	2022-2023 Results
Employer perception of technical programs	90%	90%-100%	99%
Fall-to-spring retention	75%	75%-85%	91%
Fall-to-fall retention	55%	55%-65%	63%
Cumulative GPA	2.0	2.0-3.0	2.84
Employment	60%	60%-70%	77%
Licensure	80%	80%-90%	80%
Graduation	25%	25%-40%	43%
Transfer	15%	15%-25%	16%
