STATE REFUND POLICY FOR COMPLETE WITHDRAWAL

In accordance with the Board of Trustees Policy, a student who officially or unofficially withdraws from all classes before the first day of class (August 17, 2026) will be refunded the total tuition and other institutional charges. The "first day of class" is the first day classes are offered within any term configuration, including, but not limited to, full terms, split terms, mini-terms, and weekend terms.

A student who officially or unofficially withdraws completely on or after the first day of class but prior to the end of the third week of class will be refunded according to the withdrawal date, as follows:

An administrative fee of 5% of tuition and other institutional charges is assessed for each withdrawal within the period beginning the first day of class and ending at the end of the third week of class. The total amount charged for this service will not exceed $100.

The student may withdraw from a class or all classes up to the final date for official withdrawal as follows:

Full Term: November 10, 2026 **Mini Term I**: September 30, 2026 **Mini Term II**: December 2, 2026

FEDERAL RETURN POLICY FOR TITLE IV FINANCIAL AID STUDENTS

The Federal return policy is to be used for a TITLE IV FINANCIAL AID student who COMPLETELY withdraws from all classes.

The return of TITLE IV funds is based on a formula, which determines the percentage of earned aid by calculating the amount of time the student has completed for a term. The percentage completed is calculated as days attended in the period (based on the official withdrawal date) divided by the total days in the term.

If the percentage completed exceeds 60%, the student has earned 100% of his/her TITLE IV financial aid. **During the FALL 2026 Semester, a student will have earned 100% of his/her TITLE IV financial aid on the following dates:**

Full Term: October 20, 2026 **Mini Term I**: September 18, 2026 **Mini Term II**: November 12, 2026

If the percentage completed is 60% or less, this percentage is applied to the total TITLE IV financial aid awarded to the student for the term and could result in the student having to repay TITLE IV funds.
