

PROGRAM INFORMATION

School and Program Title: Associate Degree Nursing

Program Year: 2020

Program Description: **Credit Hours** 67

Track 1 Admission

Upon completion of the Associate Degree Nursing Program (ADN), the student will be awarded the Associate in Applied Science Degree. Graduates will be eligible to apply to take the National Council Licensure Examination for Registered Nurses (NCLEX-RN). Following successful completion of the examination, the graduate will be eligible to practice as a Registered Nurse.

Upon successful completion of the first three semesters of the program, students will be awarded a certificate in Practical Nursing and will be eligible to apply to take the National Council Licensure Examination for Practical Nurses (NCLEX-PN). Following successful completion of the examination, the graduate will be eligible to practice as a Licensed Practical Nurse. The student may work as an LPN while completing the last two semesters of the ADN Program.
