

PROGRAMS AND SERVICES BY INSTRUCTIONAL LOCATION

The following information is provided to the public in accordance with the Southern Association of Colleges and Schools Commission on Colleges' (SACSCOC) *Institutional Obligations for Public Disclosure Policy*. The policy specifies that institutions must publish the programs and services available at each off-campus instructional location. When academic and student support services are not available on-site, at dual enrollment high school locations, for example, remote services are offered via phone, email, website, or videoconference, or through a scheduled appointment with LBWCC staff.
