

# Bachelors of Science in Communication Sciences and Disorders

## SEMESTER-BY-SEMESTER MAP FOR FULL-TIME STUDENTS

Degree plans may change in alter catalogs, and if they do, those changes may affect your requirements for graduation. For example, developmental course work may be required, or courses that are currently offered in the future or be available at the time you wish to enroll. It is your responsibility to check with an academic advisor regularly, throughout your enrollment, and be aware of any changes that may occur. You must receive a GPA of at least a 2.00 on all college-level course work. Contact your advisor for more information.
