Acknowledgement of Athletic Handbook

I have been made aware that the LBWCC Athletic Handbook is available to the public on the LBWCC website. It is my personal responsibility to carefully read the Athletic Handbook in order to become familiar with all of the noted rules and regulations.

I do realize that violation of any rules in the handbook subjects the student athlete to disciplinary measures. I agree to participate and conduct myself in accordance with the rules of the both the college's Student Handbook and Athletic Handbook.
