

Philosophy

The LBWCC Libraries/Learning Resource Center has an important role in assuring that information literacy and its importance is known.

To support this philosophy, guiding principles and objectives for the LBWCC Libraries/Learning Resource Center, upon which planning is based, were adopted by the LBWCC Libraries/Learning Resource Center staff and are presented on the following pages.

Mission Statement

The mission of the LBWCC Libraries/Learning Resource Center is threefold:

- (1) To acquire and organize informational and educational resources in support of instruction;
- (2) To provide expert LBWCC Libraries/Learning Resource Center staff; and
- (3) To integrate LBWCC Libraries/Learning Resource Center use into the curriculum.
