**OBJECTIVES**

The student's objectives for this work experience are listed below. The student has been furnished with a copy of the Cooperative Education Task List for his/her department (Objective #9). During this work experience the student will strive to:

1. Develop and improve his/her ability to work well with others.
2. Improve his/her accuracy and pace of work.
3. Improve his/her ability to display initiative and accept responsibility.
4. Be punctual and consistent in attendance.
5. Improve his/her ability to use time wisely.
6. Develop and maintain a good attitude toward fellow workers and supervisory personnel.
7. Maintain a clean working space and properly care for tools and equipment.
8. Maintain a neat and clean personal appearance.
9. Improve his/her technical skill level by completing as many tasks as possible from the Cooperative Education Task List for the \_\_\_\_\_ department.

The student agrees to strive to attain the objectives indicated above during this semester. The Instructor/Coordinator and the Supervisor agree to assist the student by providing necessary instruction and opportunity for completion of these objectives. All parties have been furnished with and agree to abide by the rules, regulations, and guidelines of Lurleen B. Wallace Community College, the Cooperative Education Program, and the Employer.
