

Adult Basic Education

LBWCC provides free Adult Education services to help students become career ready. Classes provide a second opportunity for adult learners committed to improving their academic and life skills. Instruction is based on individual student need and may range from one-on-one tutoring to group instruction. Classes are available throughout Butler, Covington, and Crenshaw counties. Students 16 years of age and older may participate in the program. Our classes are open entry and open exit. Students work at their own pace rather than in accordance with a set term limit.

Let LBWCC's Career Pathways Program assist you in earning your GED or a high school diploma, through Alabama's High School Diploma Options Program (HSDO), or student and prepare for the GED!

There's never been a

BETTER TIME

TO TEST!

You're more likely
than ever to earn
your GED® diploma!
